

Embassy of the United States of America
New Delhi, India

Dear Visa Applicant:

The Department of State's Bureau of Consular Affairs is currently experiencing technical problems with our overseas passport and visa systems. This issue is not specific to any particular country, citizenship document, or visa category. We apologize for the inconvenience and are working urgently to correct the problem and restore full operability. This issue is affecting our operations worldwide, including India.

Regretfully, we are unable to process your case today or conduct an interview because we are still not able to load your DS-160 application form. We request that you reappear for a visa interview on June 24 between 08:00 to 11:30 a.m. at the U.S. Embassy through Gate #6.

We will try our best to process your visa as soon as possible.

Additional details of the system outage are available at: www.ustraveldocs.com/in and www.travel.state.gov/content/travel/english/news/technological-systems-issue.html.
